

PE and sports premium funding

2013/2014 summary report

Rationale

At Selby Abbey CE (VC) Primary School we are committed to helping all our children grow into successful learners, confident individuals and responsible citizens. We believe these are underpinned by the need for children to have high levels of physical fitness, a healthy lifestyle, the ability to remain physically active for sustained periods of time, an understanding of the importance of this in promoting long-term health and well-being, the ability to take the initiative and become excellent young leaders and further develop the key values of teamwork, endurance, fair play and respect for themselves and others. As a result we established the following four priorities:

Priority 1: Whole-school professional development in gymnastics

- up skill teachers in gymnastics (3 twilight sessions)
- up skill pupils in gymnastics

Priority 2: Improving competition, performance and fitness

- lunch time review leading to pupil-led sporting activities/peer teaching for more able pupils and sports ambassadors
- specialist instructor to provide coaching opportunities in sports during lunchtime to increase participation and help prepare for competitions
- secure services of a rugby coach to run an after-school rugby club
- increase participation in the school games: rugby festival, high 5 netball, gymnastics, cricket, girls football and boys football
- fund school team kits

Priority 3: Promoting healthy living

- focus on Healthy lunch boxes and importance of exercise
- involve children's centres, parents and possibly supermarkets

Priority 4: Maximising participation in PE/physical activity

- fund sets of spare PE kit per class
- whole-school wake up shake up 8.45am on playground

Allocation

Selby Abbey School was allocated £9060 PE and sports premium funding for the period September 2013 to August 2014.

This has been spent on:

Gymnastics training for all teachers	£ 500

Quad Kids event	£ 56
PE resources including lunchtime resources, team kits and spare kits	£1150
	<hr/>
TOTAL SPEND	£9076

Impact to date:

- Increased staff expertise and confidence in teaching gymnastics
- Improvement in children's gymnastics skills in lessons
- Increased range of sporting activities on offer and enhanced pupil leadership during lunchtimes
- Increased confidence and quality of input from lunchtime staff into the activities following coaching by specialist instructor
- Popular lunchtime and after school rugby club and good achievement in two rugby tournaments with very positive governor feedback.
- Establishment of a popular after-school netball club with the netball team competing successfully in a tournament narrowly missing out on first place
- Increased sense of belonging and pride by team members representing our school in events against other schools
- Some KS2 children were trained in cross-country and handball and enjoyed taking part in inter-school events
- School achieved the Bronze School Games award in recognition of their commitment to and rates of participation in the school games cluster events

- All year 1 children increased both their physical activity and understanding of how to lead a healthy lifestyle following a 5-week programme led by a local sport and health professional
- The local Children's Centre and Health staff attended our Reception parent day enabling parents to access helpful information and advice
- Healthy Pack ups workshop for foundation stage parents and their children was very well-attended
- The purchase of spare PE kits for each class has ensured full participation in 2 hours of quality PE per week
- Wake Up Shake Up successfully launched across school with increasing numbers of children taking part
- Extra curriculum enrichment and capitalising on cross-curricular links including the KS2 French dance workshop and performance for parents
- The profile and importance of PE and school sport and healthy lifestyles were raised through a number of whole-school events including the Sport Relief Mile, staff versus pupils netball match, afternoon of sport across the whole school, Commonwealth Games incorporating sports day and Athletics Week, World Cup June/July 2014 with all classes representing a different country and Tour de France project with the whole-school cycling the Tour de France route, two-week walking, scootering and cycling to school competition and whole-school Stunt Bike demonstration plus cycling workshops
- School achieved the Youth Sport Trust silver award in recognition of good quality provision, practice and leadership in PE and school sport
- In our annual pupil questionnaire 98% of children reported that they enjoy PE, which was up 3% on last year

2014-2015 Allocation

Selby Abbey School will receive approximately £9400 PE and sports premium funding for the period September 2014 to August 2015 and will support the following priorities.

Priority 1: Implement a rolling programme of tailored coaching support for teachers

Priority 2: Enhance outdoor sports provision for foundation stage and key stage 1

Priority 3: Enable children of all ages to attend and increase participation in sporting events, competitions and festivals within and between schools

Priority 4: Subsidise transport, facilities hire and swimming tuition to maximise swimming tuition for lower key stage 2
