

# **Cygnets at Selby Abbey School**

## **September 2017 newsletter**

### **Welcome**

We would like to take this opportunity to welcome our present families and our new ones to Pre-school. We are looking forward to getting to know you all and having lots of fun!

As this time of year is very busy with lots of new children, please don't hesitate to ask any questions or give us a call on 01757 703817 at a time that is convenient for you.

### **Things to know**

- Pre-school operates between the hours 8am-4pm and wrap around care is available. Please speak to a staff member if you would like additional hours.
- Hot dinners can be ordered for £1.60 by putting your child's name on the dinner register. Hot dinners should be paid for prior or on the day.
- Children's fees are expected to be paid in advance.
- Please sign your child in and out each day. This is a legal requirement.
- Please label all your child's belongings.
- Your child will need a spare pair of clothes, nappies and wipes if required.
- Each child will have a key person and you will receive a leaflet giving you this information. Occasionally this can change if your child forms a stronger relationship with a different staff member.

- Every child will have an online learning journey, therefore we will require an email address to keep you all up to date with your child's progress.
- As we have a fantastic canopy outside allowing children to access our outdoor area all year round, please dress your child accordingly for the weather.
- Last of all, every day we provide sand, water and creative activities so please dress your child in clothes that you are happy to get dirty.

**If your child will be eligible for the 30 hours funding in the Autumn term, this is this website that you will need to access in order to apply**

### **Parent questionnaire results July 2017**

We are also sending you the results of our parent questionnaire which was overwhelmingly positive. We will be working hard to build on our many strengths and address any areas for development. We really value your feedback so please tell us what you feel we are doing well and any suggestions you have as to how we can keep improving. Thank you.
