## **Welcome**

We would like to take this opportunity to welcome you all back and an extra welcome to all our new children and families. We are looking forward to another fantastic year and have lots of exciting things planned.

## **What is coming up?**

Our topic this half term is All About Me. We will be carrying out lots of activities to learn about our children and their families celebrating what makes us unique and identifying similarities.

In your welcome pack there is a family tree and a family traditions form. We would appreciate it if you could complete these with your children and return them for us to display. This is a fantastic opportunity to get the children talking about their family and the special celebrations they have.
