Friday 20 September 2019

Dear Parents and carers,

We are delighted to launch **Knowledge Organisers** at Selby Abbey School. A Knowledge Organiser is a go-to document for a half term unit of work. It identifies the key information that children need to have learned by the end of the unit. It also acts as a tool to support children in retaining and retrieving knowledge for life-long learning.

We have developed our own Knowledge Organisers to support the delivery of our curriculum.

Each one includes key vocabulary, pictures and diagrams and links to relevant books and/or website links to support your child in their learning. Please keep looking at this with your child during the half-term as well as encouraging them to read and practise their mental maths skills as often as possible.

We will add these Knowledge Organisers to our school website www.selbyabbeyprimaryschool.co.uk and on Facebook.

We will also share the Knowledge Organiser for next half-term with you at our parent consultations in October before the children begin their new half term unit. If you have any queries in the meantime please speak to your child's teacher.

Yours sincerely,

Jo Jennings

Jo Jennings,
Head Teacher
