

Dear Parents and carers,

We have been made aware of the game 'Rainbow Friends' which is played within Roblox. There are also video compilations on YouTube that some of our younger pupils in Reception and Year 1 are accessing.

Rainbow Friends is described as a horror experience that combines popular games such as 'Five Nights at Freddy's' and 'Poppy's Playtime'. Rainbow Friends takes place over a five-day loop and players take on challenges. While doing so, players must avoid enemies. You play as a kidnapped child taken to an amusement park called 'Odd World' and are stalked by scary characters.

Some children are finding the characters from this game extremely frightening. The games suggested age is 10+. We are wanting to make parents and carers aware of the game so you are able to discuss with your child any concerns they may have about the game or issues that have arisen from it.

Thank you for your support
