

Welcome to the Selby Abbey Primary School PTFA Chair's Report 2025

In early 2024 Selby Abbey Primary School PTFA was formed and started with an initial donation from school of £500, this funded membership of an organisation called ParentKind which provides support for PTFA type organisations like ours and ensures we have all the correct documentation and also that the organisation is insured.

The PTFA with the support of the local community have thrived this past year.

- Breakfast for all Year 6 children during Sat's week
- Treats for the Summer & Christmas class parties
- Wet playtime games
- Ice lollies at Sports Day and the last day of Summer Term

Volunteers & Contributors

A massive thanks to all our volunteers and all contributions big or small that have helped the PTFA to provide these events. Some events we have held we found we needed more helpers than we had and if we wanted to provide these events again, such as the Summer Fair, we would need more hands to help us.

New members: We welcome new members to the PTFA. You could be involved in an event as a one off or more regularly – all help is appreciated.

How to get involved : Speak to one of our members, turn up to a meeting or email ptfa@selbyabbey.n-yorks.sch.uk
